## THE APPEAL FOR 1884.

The APPEAL, bacing for forty-three come recognized in the terminat of Son thought, Southern politics and Sont idustry, and shared the viciositudes of their prosperity. Its increase in circulatio I has many more readers now than ever beof the management to deserve a continuation of this patronage by the publication of a broad, sarge and influential papers of other great the race to greatness and prosperity. Not intolerance which condemns an able dehe important points contributary to Memphis; stagnation simply, but decay becomes the fender of religion because he does not the important points contributary to Memphis; and it will use, as it is now doing, the telegraph freely for its own special reports of all inevitable doom of cities which cease to interesting events. The year 1884 promises to be one of the most important in this crouded a doom, for under good government she has taken a new start. The prodigality of other days should not be substituted by a baleful parsimonious economy. Stupidity points are rest.

Terms.

Stagnation simply, but decay becomes the fight Ingersoll according to the standards of any peculiar sect is a hindrance to the growth of any peculiar sect is a hindrance to the progress of real Christianity. Too much time is given to spinning endless cobleve on a visit to this country since May last, had been at dinner at the house of Joses Seligman, the banker, at No. 2 East by a baleful parsimonious economy. Stupidity should not take the name of honous full record of current events.

Terms.

The interportant points contributory to Memphis; all stagnation simply, but decay becomes the fight Ingersoll according to the standards of any peculiar sect is a hindrance to the growth and the standards of any peculiar sect is a hindrance to the progress of real Christianity. Too much time is given to spinning endless cobleve on a visit to this country since May last, had been at dinner at the house of Joses Seligman, the banker, at No. 2 East Forty-sixth street, and was returning within. Then why should we care whether a believer in Christianity wars on Ingersoll according to the growth fight Ingersol according to the standards of any peculiar sect is a hindrance to the fight Ingersol according to the standards of any peculiar sect is a hindrance to the progress of real Christianity. Too much time is given to spinning endless cobleve on a visit to this country since May last, had been at disease, at 1 o'clock this morning, in this city. Lasker, the eminent German, died suddenties of any peculiar sect is a hindrance to the fight Ingersol according to the standards of an

2 00 economy. A dwarfed future will be the on his own hook. The Methodist Church se

SUNDAY, : : JANUARY 6, 1884. hold over, they will give us a model city the essence of religion and condemn a worker because in defending Christianity Dr. Lasker had been in America since May last. He spent a month in the city after SIX PAGES. THE ELECTION NEXT THURSDAY. The voters of Memphis will be called upon on Thursday next to elect one memher of the Board of Fire and Police Montgomery, Patterson and Graham. Commissioners, two members of the Board of Public Works and three school commissioners. Only four days inter- tradesman in doubt about business-lotvene before the election. Yet not a sin- tery-ticket buyer who throws away good can plead no inspiration. The Church gle candidate has been formally announced to fill either of the six vacancies. This fact presents a strange anomaly in the elections of Memphis. Heretofore you not wish you knew what will happen there has been a general scramble to fill to you during the year that has just standards of belief, is unanswerable from his probable sudden death. Dr. Lasker every office, however small, and weeks opened? It is those who have acted imbefore the election there was an army of prudently, or have uneasy consciences, or candidates in the field, and in the contest four days before the election there was a that are most desirous to know what will Christian integrity is to admit that bitterness and intemperate expression of speech which was likely to break out in favorable ones for the future of Memphis. It shows that the chronic office which was the that are most desirous to know what win happen this year. Those who have acted kingdom in fact, while he cannot be a member of Christ's kingdom in fact, while he cannot be a member of the visible representative of the twisible representative of that kingdom—a contradiction which, to say the least, is out of harmony and an argument equally unanswerable. Denominationalism is that are most desirous to know what win happen this year. Those who have acted kingdom in fact, while he cannot be a member of the visible representative of that kingdom—a contradiction which, to say the least, is out of harmony and an argument equally unanswerable. Denominationally the sevened quite and tears—I say, if all these facts and tears—I say, if all these facts and tears—I say, if all these facts while he cannot be a member of the visible representative of the triple of the triple of the triple of the chronic office.

In that are most desirous to know what will happen this year. Those who have acted whom early followed in the footsteps of the triple of the triple of the triple of the chronic office. This is a striple of the triple of the chronic office. This is a striple of the chronic office of the chronic office.

In that are most desirous to know what will happen this year. Those who have acted and the connection of the triple of the chronic office. This is an interpolation of the chronic office. The provided in the connection of the chronic office. The provided sockers and ward politicians, who make money in an exciting canvass, have learned that their day is over and to respect that public opinion which demands honesty, conomy and reform in municipal elections. Every taxpayer, every good citizen, will read with satisfaction the columns of the Arest this morning. Although only four pages of the political satisfaction the columns of the Arest this morning. Although only four pages and ward politicians, who make fortune come it will be mingled with no fortune come it will be mingled with no make into the mouth of its communicants a shibble them you had not be used them good night the time he was at the house. In those exerted, and puts into the mouth of its communicants a shibble them you had not be in first rate health and spirits. He left the house in company with and six over and to rewrite the scriptures do not which and so over and to rewrite the politic opinion which demands housely, conomy and reform in municipal elections. Every taxpayer, every good citizen, will read with satisfaction the columns of the Arest taxpayer and the contest of harmony with the object of their estimates and circumstances, and many more which might be well and the which and spirits. He left the house in company with the scriptures do not which and spirits. He left the house in company with and spirits. He left the house in company with and spirits. He left the house in company with the scriptures do not which and spirits. He left the house in company with the scriptures do not which and spirits. He left the house in company with the which and spirits. He left the house in company with the which and spirits. He left the house in company with the which and spirits. He left the house in company with the which and spirits. He left the house in company with the which the scriptures do not without dould like the must of the which the scripture do not such distinction. As the provide in the time to the left the house in company with the first health and spirits. He left the house in company wi of delegates will begin and the contest be initiated, and the whirl and bustle of days intervene before the election and the people have been slow in selecting and the strife have the glow of patriotism, at work. The calls so numerously signed and the strife have the country's good at work. The calls so numerously signed and generally made upon H. A. Montsomety, R. F. Pasterson and T. J. Gra.

and the strife have the country's good for its object, what will happen this year will not conform to the doctrine to which staggered. But the real staggered. Wasserman three his arms about him and prevented him from falling, about him and prevented him from falling, and the strife have the country's good for its object, what will happen this year will not conform to the doctrine to which staggered. But the real staggered. Wasserman three his arms about him and prevented him from falling, about him and prevented him from falling, and the strife have the country's good for its object, what will happen this year will not conform to the doctrine to which for its object, what will happen this year will not conform to the doctrine to which staggered. Wasserman three his hand against his hard against him and prevented him from falling, about him and prevented him from falling, and the strife have the country's good for its object, what will happen this year will not conform to the doctrine to which for its object, what will happen this year will not conform to the doctrine to which staggered. Wasserman three him from falling, and the strife have the country's good for its object, what will happen this year will not conform to the doctrine to which for its object, what will happen this year will not conform to the doctrine to which for its object, what will happen this year will not conform to the doctrine to which for its object, what will happen this year will not conform to the doctrine to which for its object, what we can be allowed to go on. When the conformation is the form the conformation of the conform ham will no doubt make these gentlemen ing, pushing self-displaying patriots will will exclude Christian men and women? The citizen responded, and Lasker was posed it have joined hands and hourts on carried to a private stable near by and laid the eternal shore; while others are scatthe candidates of the people to fill the prove most powerful, but that the quiet offices of Fire and Police Commissioner action of those who think much, decide champions of religion because these utchampions of religions because the religion be onces of Fire and Folice Commissioner and members of the Board of Public Works. These gentlemen do not desire the resilience of the surface, but the steady flow the resilience of the surface, but the steady flow the resilience of the surface, but the steady flow the resilience of the surface of the surface of the most successful. It is not the froth on the surface, but the steady flow the resilience of the surface of the s works. These gentlemen do not desire froth on the surface, but the steady flow the truth in a matter in conversation with Wasserman. MRS. ELIZABETH WOLDRIDGE.

Merical Tribute to Her Many Christian Victors by Her Former Praiot.

The following merited tribute from the Christian Standard, Cincinnait, by the Rev. David Walk, so well and favorably known to our Memphis readers, finds a heartly welcome to our columns.

IN MEMORIAM.

The departure from this life of the venerable and beloved Sister Elizabeth Wooldridge, of Memphis, Tenn, carries pain to the hearts of all knew her. If the virtues of any life deserve recognition, surely again the hearts of all knew her. If the virtues of any life deserve recognition, surely again to the hearts of all knew her. If the virtues of any life deserve recognition, surely again to the hearts of all knew her. If the virtues of any life deserve recognition, surely again to the hearts of all knew her. If the virtues of any life deserve recognition, surely again to the hearts of all knew her. If the virtues of any life deserve recognition, surely again to the hearts of all knew her. If the virtues of any life deserve recognition, surely again to the hearts of all knew her. If the virtues of any life deserve recognition, surely again to the hearts of all knew her. If the virtues of any life deserve recognition, surely again to the hearts of all knew her. If the virtues of any life deserve recognition, surely again to the hearts of all knew her. If the virtues of any life deserve recognition, surely again to the hearts of all knew her. If the virtues of any life deserve recognition, surely again the office of the current reformation; if consecration of brain and heart and purse to the deserve recognition, surely against the principles of the current reformation; if to the propagation of what she believed to be seen for the first time in the virtue of the hearts of all knew her. If the principles of the current reformation; if to the propagation of what she believed to the principl danger of electric light wires Thus the horse said to have been thrown shock on stepping on a wire and killed, was, in fact, tripped up by and entangled in the wire, but received no injury what, ognition of it upon the representatives of the people who have been delegated the wire, and is at present alive and well
